Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Gibson Accessibility Improvements project in fiscal year 2024. The entity to receive funding for this project is the Township of Evesham, located at 984 Tuckerton Road, Marlton, New Jersey 08053.

The funding would be used for improving the overall accessibility of the Gibson House Community Center. The completion of this project will transform this essential community facility into a fully inclusive recreational resource for residents of all physical abilities by installing a new ADA-compliant automatic door at the front entrance of the building and an elevator. The project is an appropriate use of taxpayer funds because it will help meet a compelling local need consistent with statutory requirements by improving the accessibility of this community center for elderly and handicapped persons.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andy Kim
Member of Congress
